Introducing the 2025 Land Rover Range Rover Velar P400 Dynamic HSE, a luxury SUV that stands at the intersection of exquisite design and cutting-edge technology. Beneath its sleek exterior, the Velar P400 is powered by a potent 3.0L Turbocharged Inline-6 engine, complemented by mild-hybrid technology, delivering a remarkable 395 horsepower and 405 lb-ft of torque. This powertrain, combined with the sophisticated all-wheel-drive system and an eight-speed automatic transmission, ensures an exhilarating driving experience with refined handling and exceptional performance across diverse terrains. Step inside the Velar P400 Dynamic HSE and experience a cabin that epitomizes modern luxury and innovation. Premium Windsor leather upholstery, heated

and ventilated front seats, and a panoramic glass roof create an ambiance of unrivaled comfort. The advanced Pivi Pro infotainment system is displayed on a striking 13.1-inch touchscreen, offering intuitive control over navigation, media, and connectivity, with seamless integration for Apple CarPlay and Android Auto. Additionally, the 12.3-inch Interactive Driver Display provides a high-resolution, customizable view of essential driving information, enhancing both convenience and driving pleasure. The 2025 Range Rover Velar P400 Dynamic HSE also prioritizes safety and convenience with a comprehensive suite of advanced driver assistance features. Enjoy adaptive cruise control, lane-keeping assist, and a 360-degree camera system that ensures comprehensive visibility around the vehicle. The exterior design is distinguished by sleek LED headlights, a bold front grille, and elegant alloy wheels, reflecting its modern and dynamic character. Visit our dealership today to explore the 2025 Land Rover Range Rover Velar P400 Dynamic HSE and discover how it redefines luxury and performance in the premium SUV segment.
