Introducing the 2025 Land Rover Range Rover Sport P530 Dynamic SE, a distinguished SUV that seamlessly blends dynamic performance with refined luxury. At its heart, the P530 Dynamic SE is powered by a 4.4L twin-turbocharged V8 engine, delivering 523 horsepower and 553 lb-ft of torque, ensuring a responsive and exhilarating driving experience. This robust engine is paired with an 8-speed automatic transmission and Land Rover's advanced all-wheel-drive system, providing exceptional handling and stability across various terrains. The exterior design of the Range Rover Sport P530 Dynamic SE exudes sophistication, featuring standard LED headlights with signature Daytime Running Lights (DRL), a black grille with metal-look accents, and body-

colored door handles. Additional amenities include a power liftgate for added convenience, body-colored front and rear bumpers with metal-look inserts, and flush deployable door handles that contribute to its sleek profile. Inside, the cabin offers a suite of standard features designed for comfort and convenience. The Meridian™ 3D Surround Sound System provides an immersive audio experience, while the heated steering wheel ensures warmth during colder months. Additional amenities include illuminated aluminum treadplates adorned with the Range Rover script, bright metal pedals, an air quality sensor, and a two-zone climate control system to maintain a pleasant environment for all occupants. Advanced safety features such as Blind Spot Assist, Forward Collision Warning, Autonomous Emergency Braking, Lane Keep Assist, and Adaptive Cruise Control with Steering Assist underscore Land Rover's dedication to occupant protection.
