Description

Additional options included: 20" Wheels - Dark Agate Grey (Style 1085) Ebony, Grained Leather Seat Trim 3D Surround Camera Under the hood, the Evoque P250 S is propelled by a 2.0L turbocharged Ingenium four-cylinder engine delivering 246hp and 269lbft of torque, paired with a responsive 9-speed automatic transmission and full-time all-wheel drive. Standard performance systems include Terrain Response 2, All-Terrain Progress Control, hill descent control, hill launch assist, torquevectoring by braking, dynamic stability and traction control, electric power-assisted steering, passive suspension, an electric parking brake, and integrated trailer-stability assist —ensuring composed, assured performance both on- and off-road. Inside, the Evoque features an 11.4" PiviPro touchscreen paired with the Meridian™ premium audio system and wireless Apple CarPlay and Android Auto

connectivity. It also includes SiriusXM, HD Radio, an embedded-data Online Pack with full over-the-air software updates, a navigation system, and wireless device charging . The digital driver interface is enhanced by a 12.3" Interactive Driver Display. Comfort and convenience are elevated with dual-zone climate control (including rear air vents), a heated steering wheel, power-tilt/telescopic steering column, auto-dimming rearview mirror, HomeLink® garage integration, keyless entry with remote start, four one-touch power windows, and a panoramic glass sunroof across both rows. The Evoque P250 S comes standard with a comprehensive suite of driver-assist technologies: adaptive cruise control with speed limiter, lane keep assist, blind spot assist, rear traffic monitor, forward collision warning with emergency braking, traffic sign recognition, driver condition monitoring, and a rear-view camera with front and rear parking sensors. On the outside, it features LED projector-beam headlights with signature daytime running lights and automatic high beam control, front fog lamps, rain-sensing wipers, flush deployable door handles, heated power-fold mirrors with approach lighting and driver-side auto-dimming, privacy glass, a power tailgate, heated windshield/washer jets, rear wiper and fog lamp, along with built-in luggage tie-downs and cargo space lighting for enhanced practicality.
