This powertrain ensures confident performance across diverse terrains, complemented by standard features such as Terrain Response 2, Hill Descent Control, and a twin-speed transfer case. With a combined fuel consumption of approximately 12.6 L/100 km and a 90L fuel

tank, the Defender 130 offers an estimated driving range of 714 km, making it well-suited for both urban and off-road adventures. Inside, the Defender 130 P400 X-Dynamic SE combines modern technology with refined comfort. The standard 13.1-inch Pivi Pro touchscreen infotainment system offers seamless connectivity with Apple CarPlay, Android Auto, SiriusXM satellite radio, and built-in navigation. A Meridian™ Surround Sound System enhances the audio experience, while wireless device charging and multiple USB ports ensure convenience on the go. Additional standard features include keyless entry, a powered tailgate, and a ClearSight interior rearview mirror, all designed to elevate the driving experience.

Safety is paramount in the Defender 130 P400 X-Dynamic SE, with a comprehensive suite of standard driver-assistance technologies. These include adaptive cruise control, lane-keeping assist, blind-spot assist, emergency braking, and a 3D surround camera system with front and rear parking sensors. Additional features such as Traffic Sign Recognition, Adaptive Speed Limiter, and Wade Sensing further enhance driver confidence, ensuring peace of mind in various driving conditions.
