Description

Additional options included: 20" Wheels - Gloss Black (Style 1089) Heated & Cooled Front Seats Ebony, Grained Leather Seat Trim Black Contrast Roof The 2026 Land Rover Range Rover Velar P340 Dynamic SE is a masterclass in avant-garde design, bridging the gap between bold athleticism and serene luxury. Powering this model is the sophisticated 3.0L Inline-6 engine featuring mild-hybrid technology, delivering a smooth and commanding 335 hp and 354 lb-ft of torque. This powertrain is paired with a responsive 8-speed automatic transmission and Land Rover's legendary Intelligent All-Wheel Drive, ensuring a refined drive that adapts effortlessly to both high-speed highways and the challenging, varied climates of Canada. Inside, the Velar's "Sanctuary" interior is defined by a minimalist aesthetic and cutting-edge technology. The cockpit features a single, elegant 11.4-inch curved glass Pivi Pro touchscreen that appears to float against the dashboard, complemented by a high-definition Interactive Driver Display. Passengers are enveloped in comfort with heated perforated grained leather seats—featuring 14-way power adjustment and memory for the driver—and a standard sliding panoramic roof that provides an expansive view of the sky. The auditory experience is equally refined, powered by a standard Meridian™ Sound System that delivers concert-hall clarity on every journey. True to its Range Rover lineage, the Velar P340 Dynamic SE is equipped with a comprehensive suite of capability and safety features. Standard Terrain Response with Dynamic Program allows you to fine-tune the vehicle's chassis and powertrain settings, while the sophisticated 3D Surround Camera with Wade Sensing provides total confidence when navigating deep water or tight urban spaces. Advanced driver assistance is standard, including Adaptive Cruise Control with Steering Assist and Blind Spot Assist. With

its iconic flush deployable door handles and distinctive LED lighting, the 2026 Velar P340 remains the most stylish and technologically advanced choice in its class.
