Description

The 2026 Range Rover Sport delivers a compelling blend of dynamic performance, refined luxury, and advanced technology, making it a standout luxury performance SUV. With its bold stance, muscular lines, and purposeful design, the Range Rover Sport projects confidence and athleticism from every angle. Inside, the 2026 Range Rover Sport interior combines premium materials with a driver-focused layout, creating a refined yet engaging cabin. High-quality finishes, intuitive digital displays, and the latest Pivi Pro infotainment

system ensure a seamless and connected driving experience. Available Meridian™ premium audio, heated sport seats, customizable ambient lighting, and modern design details elevate comfort for both daily driving and long journeys. Under the hood, the 2026 Range Rover Sport offers powerful and responsive engine options engineered for confident acceleration and precise control. Standard all-wheel drive, advanced suspension systems, and selectable drive modes deliver exceptional handling and ride comfort across a wide range of driving conditions—from city streets to open highways. Safety and confidence are enhanced through a full suite of driver assistance technologies, including adaptive cruise control, lane keep assist, blind spot monitoring, traffic sign recognition, and advanced parking assistance. Combining athletic capability, modern luxury, and unmistakable Range Rover design, the 2026 Range Rover Sport is designed for drivers who demand performance without compromise.
